# New Deer Hunting Regulations Proposed for 2019 Season

FRANKFORT, Ky. (Dec. 7, 2018) — New public land deer hunting regulations highlighted the quarterly meeting of the Kentucky Fish and Wildlife Commission Friday, Dec. 7.

The commission recommends all hunting, fishing and boating regulations to the Kentucky General Assembly for approval. The Legislature must approve regulation recommendations before they become law.

The commission proposed changes for deer quota hunts on several wildlife management areas (WMAs) and state parks. These changes would become effective for the 2019-2020 deer seasons:

- Close all deer hunting on the Crenshaw and Duncan II tracts of Sloughs WMA on Nov 1. This is designed to avoid useage conflicts with waterfowl hunters. Previous regulation changes allowed waterfowl hunters to hunt anywhere within a designated area, instead of being restricted to permanent blinds.
- Hunters participating in quota hunts on Taylorsville Lake WMA would earn one preference point for each female deer harvested. This would help reduce deer densities in the area.
- Implement two deer quota hunts on Higginson-Henry WMA: a quota archery/crossbow quota hunt starting the Monday after the third Saturday in October through Nov. 30 and a two-day modern gun quota on the first weekend in November. This would match seasons with nearby Big Rivers WMA.
- Shorten the archery/crossbow quota hunt on Big Rivers WMA by one week to run concurrently with nearby Higginson-Henry WMA.
- People drawn for the archery/crossbow quota hunts on Higginson-Henry or the Big Rivers WMAs would be required to display a department-issued tag to hang from the rear view mirror of their vehicle to help conservation officers confirm legal hunters.
- Create archery/crossbow quota deer hunts on Dale Hollow Lake State Park and Kenlake State Resort Park to increase hunter opportunities and reduce deer densities.
- Modify the dates and weapon restrictions on Kincaid State Park quota hunts.
- Create a special deer hunt on Lake Barkley State Resort.
- Clarify regulations to denote that hunters in Zone 4 may not use archery or crossbow equipment to take does (antlerless deer) during the early muzzleloader, modern gun or the first six days of December muzzleloader seasons.

The Kentucky Fish and Wildlife Commission also welcomed its newest member, Brian Fisher of Bowling Green. Fisher, who was sworn in Friday, represents the Second Wildlife District in western Kentucky.

## Beshear: Christmas Shopping Scammers Posing as Your Favorite Retailers

FRANKFORT, KY. (Dec. 3, 2018) – Kentuckians shopping online this Christmas season should be on the lookout for scam emails, Attorney General Andy Beshear warned today.

With Christmas shopping in full swing, and the National Retail Federation predicting spending to increase by more than 4 percent this season, Kentuckians say they are receiving what appear to be legitimate emails from popular retailers that are actually scams.

The scam email is often personalized and includes a logo of a retailer such as PayPal, Apple or Amazon, and instructs the receiver to resolve an issue with their online account or order by reentering their bank, credit card or Social Security numbers.

Beshear said it is sad that con artists take advantage of the Christmas season to trick folks into handing over their personal and financial information.

"I want Kentuckians to enjoy the Christmas season and not end up checking off a con artist's Christmas wish list," said Beshear. "Kentuckians should always take the time to scrutinize every email and financial transaction closely, especially throughout the Christmas shopping season."

Beshear said Kentuckians should also be wary of emails, apps and social media posts that offer too good to be true deals, discounts and sales, as those offers could be a ploy to collect information. To spot a scam email, website or app Kentuckians should:

Watch for misspelled words.  
Avoid clicking on email hyperlinks. Always independently type in the actual retailer website and sign in.

Pay attention to the sender's email address. Scam emails are often from an email address that looks very similar to an official company account, but may have a couple of letters or words that are different.

Beshear asked Kentuckians to report these types of email scams to the Attorney General's Consumer Protection hotline at 888-432-9257 and complete an online report.

Staff in Beshear's Office of Senior Protection and Mediation also recommends that Kentuckians contact the legitimate company to report the email scam.

One of Beshear's top priorities is to protect Kentucky families, especially seniors, from scams, abuse and exploitation. To help Kentuckians stay up to date on new and trending scams, Beshear urges everyone to sign up to receive Scam Alerts from his office.

## Kentucky Health Benefit Exchange Reminds Kentuckians to Participate in Health Insurance Open Enrollment

FRANKFORT, KY (Dec. 11, 2018) – The Kentucky Health Benefit Exchange (KHBE) reminds Kentuckians that Saturday, Dec. 15 is the final day to enroll in health insurance coverage via the federal marketplace at [www.HealthCare.gov](http://www.HealthCare.gov). Kentuckians are encouraged to act now so they are enrolled in a qualified health plan for 2019. Plans sold during Open Enrollment start Jan. 1, 2019.

Current plan holders and those who want to view 2019 options on the exchange should visit [HealthCare.gov](http://HealthCare.gov) and use the shopping tool. For new users, the federal marketplace requires the creation of a user account and a completed online application.

More than 80 percent of Kentuckians enrolled in the exchange qualify for tax credits or subsidies that reduce the monthly health insurance premiums. For most people, the credits will offset any premium increase, so the cost of insurance in 2019 should be about the same as this year. Those who purchase insurance on the exchange should update their applications, even if they have current coverage. This ensures the most up-to-date information and makes it easier for individuals and families to find the plan to best meet their needs.

Trained and certified application assisters who provide in-person assistance are available in every county in the Commonwealth. These individuals are able to provide application assistance and help in choosing a plan to meet your needs. To locate an assister near you, log on to: [www.HealthBenefitExchange.ky.gov](http://www.HealthBenefitExchange.ky.gov).

The state-based KHBE call center is available at 855-459-6328 to assist Kentuckians with questions about where to go for coverage. The call center can help prescreen for program eligibility and help with questions and information. The [HealthCare.gov](http://HealthCare.gov) customer service center is also available. It can be reached by calling 800-318-2596. The [HealthCare.gov](http://HealthCare.gov) call center is open 24 hours a day, seven days a week.

Individuals who do not currently have a qualified health plan from the exchange and fail to act by the Saturday deadline cannot receive 2019 coverage unless they qualify for a Special Enrollment Period. Current plan holders who do not review and/or renew their options will be automatically enrolled into the same or a similar health plan for 2019.

**Life-saving opportunity coming soon**  
Kentuckians encouraged to give blood, save local lives

Kentucky Blood Center (KBC) is encouraging Kentuckians to roll up their sleeves, donate blood and help Kentucky patients.

As a thank you, those who register to give blood at the drive below will receive a special KBC T-shirt.

**Jackson County Community**  
**Fri., Dec. 14 from 10 am - 3 pm**  
**on the KBC Bloodmobile**  
**in the Courthouse Square**  
**at 100 Main St. McKee.**

**All donors will receive a T-shirt!**

Blood donors must be 17-years-old (16 with parental consent), weigh at least 110 pounds, be in general good health, show a photo I.D. and meet additional requirements. Sixteen-year-old donors must have a signed parental permission slip, which can be found at [kybloodcenter.org](http://kybloodcenter.org).

To schedule a donation, visit [kybloodcenter.org](http://kybloodcenter.org) or call 800.775.2522.
